

# Inventory of impact studies on microfinance since 1980

---

Florent Bédécarrats-CERISE

2011

## Introduction

This list corresponds to the corpus of impact studies used for a meta analysis published in French with the following reference:

Florent Bédécarrats, « L'impact de la microfinance : un enjeu politique au prisme de ses controverses scientifiques », *Mondes en développement*, 2012, en attente de publication.

This article will be available on Cairn ([www.cairn.info](http://www.cairn.info)). If you use all or part of this list for your own work, please cite this reference. For any question, please contact [cerise@cerise-microfinance.org](mailto:cerise@cerise-microfinance.org)
